

PT-6000 Lighting Kits

The PT-6000 Lighting Kit is a complete lighting system that includes a PT-6000 power center, a base, and 1, 2, or 3 color Treo LED pool lights. Select from 6 colors (white, blue, green, red, amber, and magenta) or 2 color changing modes (slow color change mode and party mode). The PT-6000 Lighting Kit allows for 2 groups of lights to be independently controlled, has a manual on/off switch, and remote control.

- 915MHz wireless extended range remote control
- Built-in on/off switch, no need for additional external switch
- Terminal block for secure connections – No need for wire nuts
- Corrosion-resistant polycarbonate enclosure rated NEMA 3R
- Low voltage internal transformer: 120VAC to 12VAC
- 60 Watt system (2 independent 30 Watt channel system)
- ETL Listed conforms to UL 379
