Galaxy Pool Light

Galaxy Pool & Spa Lights

The Galaxy Pool Light and Galaxy Spa Light will transform your pool and spa into a nighttime oasis. You control the colors by the flip of a switch. Create drama, fun, excitement or simply a quiet reflective place to soak away the stress of the day.

Galaxy Pool & Spa Lights are available as replacement lights for existing pools & spas or for new construction. The color modes are easily accessed by toggling the existing pool/spa light wall switch OFF and ON.

The Galaxy Light exclusively from Nexxus Lighting is available at pool retailers and service companies nationwide.

- **Brilliant Colors**
- **Easy to Install**
- **ETL Listed**
- **No Moving Parts**

EXCITING "SHOWS"

- SLOW COLOR CHANGE
- BLUE / GREEN FADE
- PARTY MODE

ENERGY EFFICIENT

Using only 40 watts, 90% less energy than a standard pool light, the Galaxy LED Color Changing Pool Light uses minimal energy to achieve stunning colorful effects in your pool.

LONG LAMP LIFE

5 times longer than standard pool lights

ETL LISTED

The Galaxy Light meets or exceeds nationally recognized electrical product safety standards.

EASY TO INSTALL

The Galaxy Light screws into the existing housing like a typical light bulb. Always make sure to use a new housing gasket when changing any underwater lamp.

BRILLIANT COLORS

The Galaxy Light creates a variety of exciting colors and effects to suit your mood. Just toggle the switch to change to the next color mode.

NO MOVING PARTS

Sturdy construction and innovative design ensures the Galaxy Light will provide you with years of carefree use.
