

## **MODEL 2000CS STAIR ENTRY SYSTEM** **FEATURES & SPECIFICATIONS**

- VINYL WORKS CANADA manufactures all units of Stair Systems to meet or exceed NSPI/BOCA/ANSI requirements for inpool steps, ladders and ladder enclosures. This includes the new “barrier” code requirements to prevent swimming behind or through the risers/treads of the unit
- The Model 2000CS Stair System IS manufactured using maintenance free resins
- All Stair Systems are packaged so that they can be shipped via UPS
- All hardware utilized is stainless steel with the exception of the gate hardware
- The Model 2000CS comes with a gate to meet requirements for enclosures. The gate is spring-loaded, self-closing, self-latching and lockable (lock not included)
- The Stair System utilizes two handrails for both the inpool and exterior portions for greater safety.
- All stair treads measure 10" x 24" for large tread surface area. This makes the system very easy to climb when entering and exiting the pool.
- The stair systems are extremely easy to assemble, most of the components simply snap together
- All stair treads have been designed with a non-slip surface and the risers embossed with no diving and no jumping signs
- The Model 2000CS Stair System can be used with our Pool Fence systems to totally enclose and secure your pool. Both our 24" and 36" fencing will connect to the handrail uprights by using our Connector Kits (sold separately)
- The units have been designed to fit both 48" and 52" pools. A riser unit is available for pools greater than 52". All units have been designed to clear 10" pool top rails
- Each system includes explicit installation instructions and all necessary hardware for proper assembly. Vinyl Works Canada’s toll free customer service number is printed on all instruction sheets should any customer need assistance
- VINYL WORKS CANADA reserves the right to change or alter the manufacturing specifications within the specified code restrictions. If there should be any questions regarding this or any of our other products please do not hesitate to contact our customer service department at toll free 1-877-VINYL WK
