

BRILLIANT WONDERS™

Waterfalls

Add lighted accents to your pool project!!

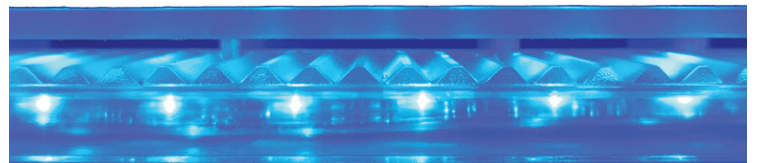

- A variety of colors
- Light shows: fade from one color to the next, strobe and a timer feature to automatically shut off in choices of 5 minutes, 15 minutes or 30 minutes
- Adjust brightness (see instructions for full list of features)
- One remote and controller (sold separately) can control a combination of up to 20 feet of waterfalls

Each waterfall has a side door to access the LED strip and wiring for serviceability.

CMP has an exclusive “sawtooth lip” which gives slight turbulence, helping to pick up the light in the water.

These waterfalls are available in 12”, 18”, 24”, 36” & 48” lengths with a 6” lip.

Patent Pending

CUSTOM MOLDED PRODUCTS
