

## ColorLogic® Light Controller

**Enjoy simple installation and convenient control.**

The ColorLogic Light Controller puts the power of colorful, customizable low-voltage ColorLogic LED lighting at your fingertips. Choose the perfect color option for your pool and backyard from right inside your home using the convenient dial and preview window. As the only wall controller that can be easily installed into an existing light switch, the ColorLogic Light Controller makes it simpler than ever to see your pool, spa and landscaping in a whole new light. Experience unparalleled color, control and convenience—choose the ColorLogic Light Controller for your backyard.

## Transform your backyard with bold color you control.

### Convenience that counts.

The ColorLogic® Light Controller lets you easily turn your ColorLogic pool, spa and backyard lights on or off with the push of a button or set a timer or schedule to do so automatically.

### Intuitive interface. Incredible results.

With the ColorLogic Light Controller's sleek, simple design, you can instantly view and choose from 10 beautiful fixed colors and 7 color-changing light shows. When you select an option, the color or show displays in the innovative preview window at the top of the controller so that you can see what it will look like, giving you a simplified level of control over your backyard ambiance.

### Simple installation and coordination.

The ColorLogic Light Controller is the only lighting controller that retrofits easily into an existing light switch, so it's easier to install than any other controller on the market. It's also compatible with Universal ColorLogic and ColorLogic 320, 160, 80 and 40 Pool, Spa and Backyard lights, so you can completely coordinate your entire backyard.

### Color every corner of your oasis with low-voltage ColorLogic LED Lights.

ColorLogic LED Pool, Spa and Backyard Lights are designed to illuminate nearly any new or existing pool or spa environment with vibrant color. Choose from 10 solid colors and 7 dynamic color-changing light shows to compose the perfect theme for any occasion—from romantic evening to backyard bash. Universal ColorLogic full-sized pool and spa lights are 100% brighter than any other color LED light and can save up to 86% on energy costs.
