**Installation, Operation and Maintenance Procedures**

- Use 4 screws for mounting on wall, alternative flush mounting.
- When mounting with optional bracket, use the slit on each side to connect the bracket to the loudspeaker.
- For optimum performance, always use the correct voltage / power and operate within the frequency limits as stated.
- Cable termination code: Green/yellow: Ground  Brown: (+).  Blue: (-)
- Please exercise care when installing submerged. This loudspeaker generates very high sound pressures even when driven at low power.
- This loudspeaker is supplied with a 2 year warranty against defective workmanship.
