Buddy Light White or Color-RGB

- Twice the light as competitors
- 1/3 Less in Cost
- 80 or 150 ft Cord models available
- Perfect for Fiber optic Lighting replacement
- Short Base - Ideal for tight installation areas
- Interchangeable “Buddy” Bulbs – Color or White fit the same light body
- True Color Mixing- we mix colors within the LED not in the pool – creates uniform colors without typical color separations seen by other lights
- Buddy Light Color synchs with Savi Melody, Savi Note and Savi SOL giving you choices on your pool lighting designs. Even synchs with our replacement LED light bulb – Galaxy Plus
- **Buddy Light White – IS DIMMABLE for fine tuning your lighting needs**

- 12VAC
- 10Watts / .83 AMPS
- 180 Degree Beam Angle
- The ONLY ETL Light Listed for 4” of Water**
- Fits 1 ½ wall fittings
- 2 Year Warranty
- Connects directly to any 12VAC Class 3 Transformer
- ETL LISTED FOR NICHELESS LIGHT INSTALLATIONS**
- PART NUMBERS:**

- Buddy-Lite-80 • Buddy-Lite-150
- Buddy-Bulb-W • Buddy-Bulb-RGB
